

Chaminade College Preparatory Middle School

Request for Extension due to technical difficulties

Name _____ Teacher _____ Date _____

Directions: All work is due on the assigned day, except for an excused absence, in which case the assignment is due at the beginning of the next class meeting. If a homework deadline cannot be met due to technical difficulties, a student may turn in a Request for Extension form instead. Long-term projects may not qualify for a Request for Extension; work ahead of the deadline.

**The Request for Extension form is due by the homework deadline.
NO EXCEPTIONS!**

Student and Parent Pledge: We are requesting an extension due to technical difficulties and have filled out this form completely. A new Request for Extension form must be completed for any additional assignments that may be late, even if the reason is the same as noted below. For extended technical delays, students are required to attend Labs to make-up the work.

Assignment Due Date _____

Assignment Title(s) _____

Technical Reason for Request _____

Date To Be Completed _____

Assignment is due the next class unless otherwise noted and agreed upon by teacher.

Signature of Student

Signature of Parent (REQUIRED)
